Data Sheet 141

Bins for cleaners 104-128

The cleaners are divided into two groups: No. 101-128 and No. 142-146. Different bins must be used for the two groups.

1 bin = 0.41 m³  
2 bins = 1.26 m³  
3 bins = 2.46 m³  

NB: When 3 bins are selected in the ESOP-programme, there must be a support structure.
